February 2019

*Grass withers, flowers fade, but the Word of our God endures forever.  
Translators come, translations go, but the Word of our God endures forever.*

## Progress Report

1. Final proofreading for the complete Bible has been handed in to Northwestern Publishing House and is nearly ready for the printer. Publication date is July 1, 2019, or perhaps a bit earlier.
2. NPH has issued pre-order forms for bulk purchases of the whole Bible. This is the way to get the best price for your member and students. See page 2 of the report for the NPH press release and links.
3. Work on the notes for the Study Bible is continuing to make good progress. There are edited drafts for all books of the Bible. All these drafts are under simultaneous editing processes. We are focusing a lot on maps and charts. We hope to have several electronic formats of the study Bible available by the end of the year.

## Coming Studies

In preparation for the publication of the first edition of EHV, from January through June, we will be providing you with a steady diet of articles, booklets, and other materials about the EHV. Among them will be:

1. An updated catalog of our library.
2. Preview edition of the study Bible of Ezekiel.
3. Preview edition of the study Bible of Acts.

The Wartburg Project is a group of WELS and ELS pastors, professors, teachers, and laypeople who are working together to produce a new translation of the Bible called the *Evangelical Heritage Version*® or *EHV*®.

### “Purely Positive”

The Wartburg Project began in the fall of 2013. After all of the debating about Bible translation, we set out to quietly try our best to translate the Bible. We adopted the phrase “purely positive” to remind ourselves to avoid debates and just keep working on our project. God’s Word is our great heritage. We set out to use our gifts to share God’s Word, “to spread its light from age to age.” That’s been our “chief endeavor.” God has richly blessed our efforts.
