

The Wartburg Project

February 2022

*Grass withers, flowers fade, but the Word of our God endures forever.
Translators come, translations go, but the Word of our God endures forever.*

A NEW FOCUS

Our basic suite of EHV works has been completed. It includes the basic print Bible (pew Bible) from NPH; the Microsoft EHV Study Bibles from the Microsoft Store (available in American and metric versions); the Logos version of the study Bible available from Faith-Life; EHV versions of Luther's Small Catechism from NPH and the ELS Bookstore; and a collection of lectionaries, including the lectionary for the new WELS hymnal, and a Passion History for use during Lent which is available for free on the Wartburg Project web site.

We have given permissions for use of the EHV in many other projects, small and large. We are beginning to receive more requests for mission distribution, including outside the United States.

Now that the basic works have been completed, our focus is on increasing use of the EHV and providing more supplemental aids and making improvements.

PICTURES FROM THE EHV MICROSOFT STUDY BIBLE

Each month for the next few months we will have two pictures from the Microsoft Store EHV Computer Study Bible.

Two Mount Sinai pictures from the Exodus notes: one view from the plain toward the mountain and one view from the top of the mountain. The location of Mount Sinai is not certain, but there is strong tradition for the site that now is the location of St. Catharine's Monastery.

OFFERINGS TO THE WARTBURG PROJECT

Audio Bible

We have plans underway to produce an audio version of the EHV for free distribution. If you would like to help with the production costs of this Bible, please designate your gift for *Audio EHV*.

Gifts for Africa and Asia

We have plans underway to provide gift copies of EHV computer study Bibles to teachers in Africa and Asia. Each copy costs about \$20 depending on currency exchange rates and local taxes. If your offering is intended to be used entirely for that purpose, please note that it is for AACB (Africa Asia Computer Bibles).
