*Grass withers, flowers fade, but the Word of our God endures forever.
Translators come, translations go, but the Word of our God endures forever.*

Spreading Ripples

Spreading Ripples is our section about increasing use of and wider contacts for the EHV. This month's Ripples focuses on new developments within the EHV series.

TEXTUAL CRITICISM OF THE OLD TESTAMENT

Rev Reads, a YouTube channel which reviews theological books, has posted a video review of *Textual Criticism of the Old Testament*, John Brug's book which expresses the view of textual criticism practiced in the EHV. The site also has other reviews of the EHV and related books.

EHV STUDY BIBLE (BIBLE AND NOTES) LOGOS EDITION

Especially for Apple Computers

The Logos Edition of the EHV Study Bible has been sold as two separate modules: one for the text and one for the notes. It is now possible to buy them as a unit. Please note that the *EHV Study Bible* will still display as two resources in your digital library, text and notes. These products are included in some Logos collections, so check to make sure that you do not already have them. You can save money when you purchase this product as part of a collection. See the link for more information.

MICROSOFT STORE EHV STUDY BIBLE

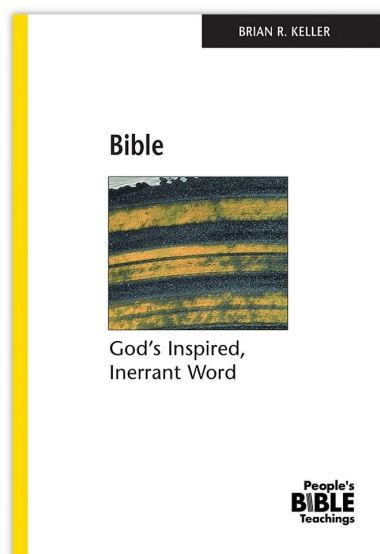

Soon there will be an second edition of the Microsoft Store EHV Study Bible, EHV Study Bible II. It will have the same basic text and notes as EHV Study Bible I, but it will add additional features such as ability to take your own notes in the app. Watch for the announcement. If you would like to be a beta tester or proof reader of the new edition contact Phil Paustian at ppaustian@gmail.com.

Wartburg Bible Series

The Wartburg Bible Series is our collection of works which supplement and make use of the EHV.

THE BIBLE: GOD'S INSPIRED, INERRANT WORD

Strictly speaking, *The Bible: God's Inspired, Inerrant Word* is not part of the Wartburg Bible Series since it was written before work on the EHV began. It is a volume in the People's Bible Teachings series by Brian R. Keller (NPH, 2002). It is very useful as an accompaniment to the EHV and EHV Study Bible. See the link for more information.

THIS MONTH'S ARTICLE

Brief Summaries of the Books of the Bible

These summaries of the Bible books are not intended to completely describe all that can be found in each book. Rather, the summaries aim to briefly sketch each book's part in the whole Bible's unified message of salvation from sin through Jesus Christ. The Bible summaries also note several places in the Old Testament where one can see "a shadow of the things that were coming" while fully appreciating the New Testament perspective that the reality, however, is found in Christ (Colossians 2:17; also Hebrews 8:5; 10:1).

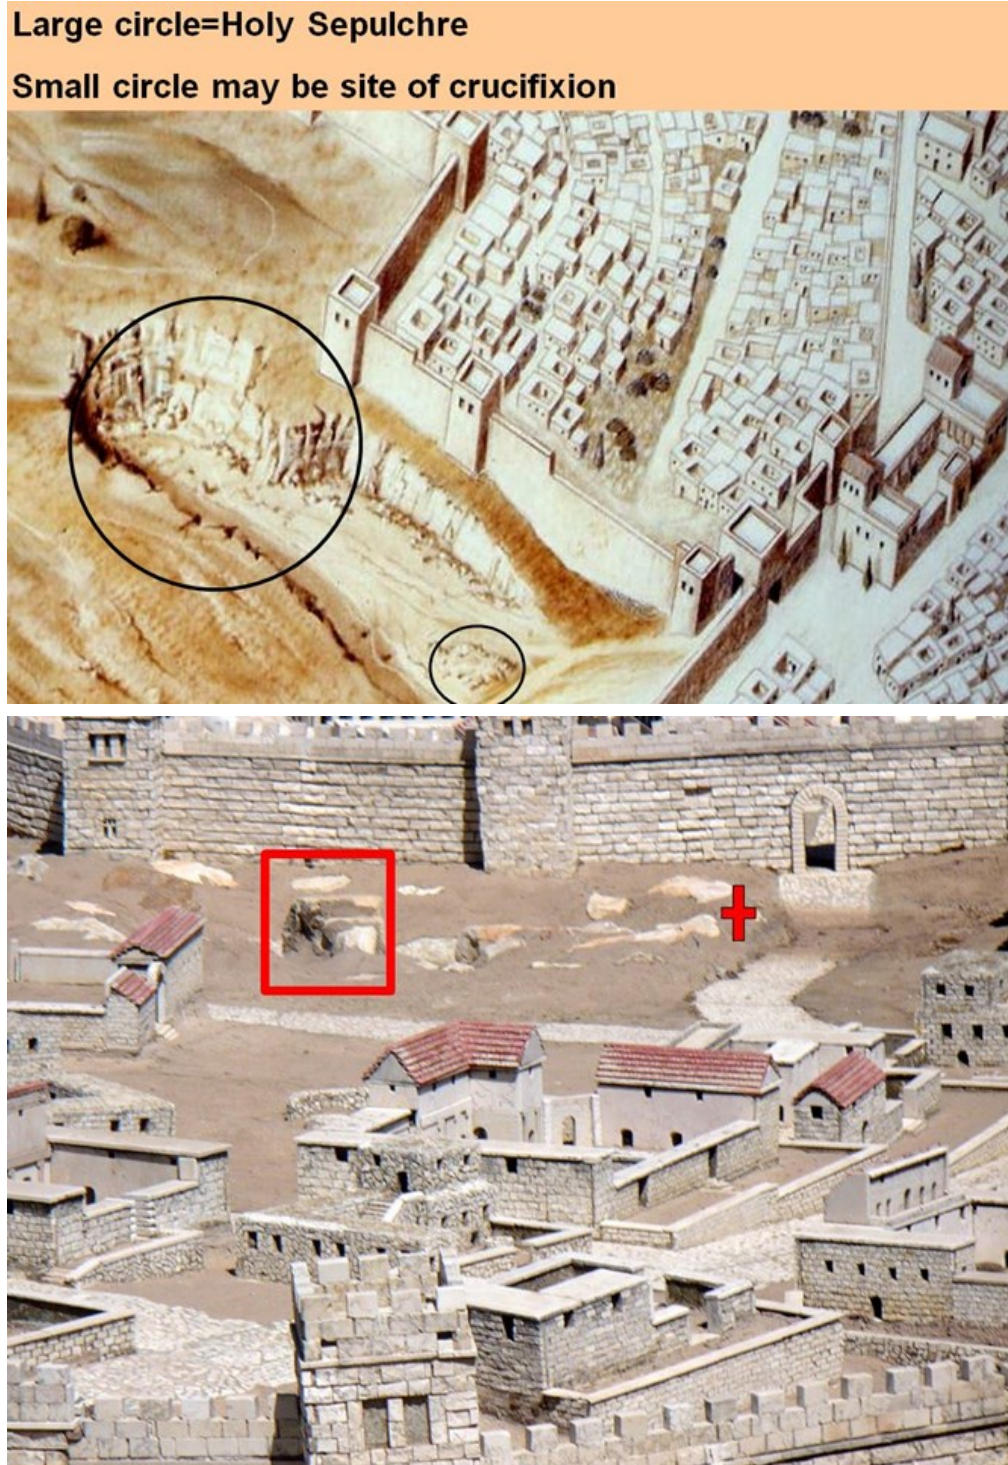

THIS MONTH'S PICTURES

The pictures for the season of Lent/Easter will feature locations from Holy Week.

There are two competing sites for the location of Calvary and the Tomb: the Church of the Holy Sepulchre and the Garden Tomb just north of the Old City. Evidence strongly favors the Church of the Holy Sepulchre.

The first picture is an artist's conception of the location of the quarry that contained the tomb and Calvary near the northwest gate of the city. The second picture shows the same area in the model at the Israel Museum. The outer wall at the bottom of this picture was not yet there at the time of Christ. The final picture shows a tomb of Jesus' time with an intact stone.

A tomb from the time of Jesus.

IT'S ALWAYS TIME FOR A VISIT TO THE LIBRARY
