This Month's Booklet

Getting Ready for the EHV 

This free 35-page booklet is a collection of four articles which introduces prospective readers to some of the main issues to consider concerning the Holy Bible: Evangelical Heritage Version. The four articles are:

1. Why should I try the EHV?
2. What were the greatest difficulties encountered in producing the EHV?
3. What are some of the features that distinguish the EHV from other translations?
4. Tips for becoming accustomed to a new translation.

We encourage you to share this booklet with as many people as possible.

The Wartburg Project is a group of WELS and ELS pastors, professors, teachers, and laypeople who are working together to produce a new translation of the Bible called the *Evangelical Heritage Version*® or *EHV*®.

“Purely Positive”

The Wartburg Project began in the fall of 2013. After all of the debating about Bible translation, we set out to quietly try our best to translate the Bible. We adopted the phrase “purely positive” to remind ourselves to avoid debates and just keep working on our project. God’s Word is our great heritage. We set out to use our gifts to share God’s Word, “to spread its light from age to age.” That’s been our “chief endeavor.” God has richly blessed our efforts.

Coming Studies

In preparation for the publication of the first edition of EHV, from January through June, we will be providing you with a steady diet of articles, booklets, and other materials about the EHV. Among them will be:

1. An updated catalog of our library.
2. Preview edition of the study Bible of Acts.
3. More new FAQs.
4. Also see the many FAQs and the library of articles on our [Wartburg Project website](#).
