The Wartburg Project is a group of WELS and ELS pastors, professors, teachers, and laypeople who are working together to produce a new translation of the Bible called the *Evangelical Heritage Version*® or *EHV*®.

“Purely Positive”

The Wartburg Project began in the fall of 2013. After all of the debating about Bible translation, we set out to quietly try our best to translate the Bible. We adopted the phrase “purely positive” to remind ourselves to avoid debates and just keep working on our project. God’s Word is our great heritage. We set out to use our gifts to share God’s Word, “to spread its light from age to age.” That’s been our “chief endeavor.” God has richly blessed our efforts.
